LEARN STENOGRAPHY

This war has opened up untold advantages to men and women in every branch of trade and business. You never know when you may need the experience of a business education. All up to date business houses demand skilled help.

Those who are holding high positions are many who began as stenographers and were so competent they soon proved themselves invaluable to their employers.

We place our pupils just as soon as they prove they are capable, and are constantly being asked for capable pupils to fill positions. Good stenographers were never in greater demand than at the present time. The odds are too great against the incompetent. New and rapidly expanding business houses do not employ the unprepared. Classes in SHORTHAND, TYPE-WRITING, BOOKKEEPING, FRENCH and ENGLISH are being formed now at the ELIZABETH CITY BUSINESS COLLEGE.

See MRS. WM. BOETTCHER, Robinson Building, Poindecker Street, Elizabeth City, N. C.
